**Subject:** Wilcox (06GG) Briefing Draft

This is a draft of the power point. I'm planning to add what I know about the big companies (BP, Marathon, BNSF, etc.) on the list and where I think they stand as a PRP at this time. The dates for the time line will need to be adjusted. I should be in by 7:30 tomorrow to review any comments you may have and to make changes before we meet at 10, if you're available.
